

Fish with rice

Adult Dog

Naturals Range

The **Naturals** range offers a selection of recipes that benefit from the finest freshly prepared protein sources.

The range provides a variety of recipes formulated for pets with sensitive digestion.

Why White Fish?

White Fish are a source of protein and Vitamins B6, B12 and Niacin. They are also a source of Omega 3 fatty acids which may help to support skin and coat health and healthy joints.

Why Rice?

Rice is an easily digestible carbohydrate source ideal for dogs with sensitive digestion.
